The out-turn is not so large as was estimated.

The Government does not guarantee the accuracy of the measurements. Still Government does not vouch for the correctness of the measurements.

The following are the conditions of Sale :—

1st. Half the price to be paid within two days, and the remainder within one month.

2nd. Purchasers are to make a ditch or hedge round their Lots, in order to prevent the encroachment of cattle. If they fail to do so they will not be entitled to damages for cattle trespassing.

3rd. The boundary pillars of the Lots are to be maintained in repair by the purchasers.

4th. No revenue will be demanded by Government on the land sold, during the currency of the present settlement, which has yet nineteen years to run ; and the assessment to be fixed on the expiry of the current settlement will not exceed one rupee per acre.

5th. All standing timber will be sold with the Lot, and will be at the absolute disposal of the purchaser. The Local Forest Conservancy Rules will not be enforced as regards the land sold.

6th. The right of Government to all Minerals and to the control of Streams is reserved.

Notice.

IN a Notification by the Punjab Government, dated the 28th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea Cultivation. Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer, who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Palam Valleys are now in the hands of Government. Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by Public Auction, in Lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the Lots, will be advertised on or about the 1st June next.

NOTICE.

In continuation of the Notice of this Office, advertised on the 8th instant, it is hereby Notified that the following Lots of land will be sold by Auction at the upset prices quoted in the annexed Statement, on the 2nd July 1880, at the Government Kutcherry at Dhurnasala. The out-turn is not so large as was estimated.

The Government does not guarantee the accuracy of the measurements. They have been as correctly made as the character of the land and the machinery at disposal would admit of, and it is believed that each Lot contains pretty nearly the quantity of land shewn opposite it. Still Government does not vouch for the correctness of the measurements.

The following are the conditions of Sale:—

1st. Half the price to be paid within two days, and the remainder within one month.

2nd. Purchasers are to make a ditch or hedge round their Lots, in order to prevent the encroachment of cattle. If they fail to do so they will not be entitled to damages for cattle trespassing.

3rd. The boundary pillars of the Lots are to be maintained in repair by the purchasers.

4th. No revenue will be demanded by Government on the land sold, during the currency of the present Settlement, which has yet nineteen years to run; and the assessment to be fixed on the expiry of the current settlement will not exceed one rupee per acre.

5th. All standing timber will be sold with the Lot, and will be at the absolute disposal of the purchaser. The Local Forest Conservancy Rules will not be enforced as regards the land sold.

6th. The right of Government to all Minerals and to the control of Streams is reserved.
